

# CAMPBELL + GREEN

**Campbell + Green** - a his and hers blend of styles creates one formidable indie-folk sound made of thoughtful songwriting, strong vocal harmonies and skilled musicianship. Together since 2005, the multi-talented, engaging singer/songwriters, Robert + Cailin, share lead vocals and spin stories, taking their songs to deeper places that captivate audiences and keeps fans coming back again and again.

Touring extensively since 2015, Campbell + Green are currently booking shows across Canada throughout 2019 featuring their latest full length album, *On Being Human*. Their next European tour is booking for spring/summer 2020. Available as a duo, trio or combo.

Campbell + Green are available live for Radio, Television and Webmedia.
